## *Nippon Jamboree - 2010*

The 15<sup>th</sup> Nippon Jamboree (15NJ) will be held from the 2<sup>nd</sup> to the 8<sup>th</sup> August 2010. Contingents will arrive at the Jamboree site on the 1<sup>st</sup> August and depart on the 9<sup>th</sup> August.

The site for 15NJ will be the **Asagiri Plateau**, which is located at the southeast base of [Mount Fuji](#) in [Fujinomiya, Shizuoka](#) Prefecture, Japan. The Asagiri Plateau is richly utilized for its pasture land and many dairy farms are situated along it. The elevation of the plateau is generally around 800 - 900m.

The summer climate is regarded as cool and comfortable, though the weather often changes. Fog can cover the plateau quickly, which gave rise to its name – Asagiri - which means "foggy morning." Temperatures on site average 21.8°C (from 19.7°C to 24.5°C), but you can expect some rain and fog.

Age range of participants will be from 13 – 17 years, with IST (International Service Team) members to be 18+ years.

The site will be divided into 8 Sub camps with 8 modules (activity bases), including an off site activity base. On the 5<sup>th</sup> August there will be a Peace Gathering in the morning, followed by the Opening Ceremony and a Food Festival in the afternoon, with the closing on the evening of the 8<sup>th</sup> August.

The Australian Contingent Fee will be approximately \$4000. This will include return airfares, the event fee and other associated costs for an Australian Contingent. We will be flying into Tokyo and catching either the train or bus to the Jamboree site. It is expected that a 3-4 day tour will be organised for the contingent following the Jamboree. At this stage we do not know about any Home Hospitality.

Very little information has been received from Japan to date, but if you are interested, please contact Julie Creed (Contingent Leader) on [jcreed8@bigpond.com](mailto:jcreed8@bigpond.com)

Look out for further updates.

Julie Creed
